

# Change the Future of Music Creation at Sounts

## Who we are

Sounts is a **social music platform** for musicians from around the world to collaboratively create music loops!

By empowering musicians to build upon each other's creativity, we're fostering a **community-driven approach to music-making**.

## Your Project Study at Sounts

Create and Lead  
Growth campaigns

Develop and  
execute a social  
media strategy

Establish partnerships  
with music  
communities

And much more
