

Grounded in TUM's technological and entrepreneurial ecosystem, the TUM School of Management seeks to educate responsible talents and pursue relevant research to advance innovation-based businesses and societies in Germany, Europe and the world. At our Garching-based Entrepreneurship Research Institute (ERI), scientists from a variety of disciplines contribute to the groundbreaking work on how firms and individuals may introduce new technologies into the world through innovation and entrepreneurship. Our goal is to help develop this field and improve our understanding of innovative organizations, how they are structured, how they strategize, and how they may contribute to a more sustainable society and economy. To support is in these endeavors, the professorship for *Innovation and Organization Design* (Prof. Dr. Oliver Alexy) is currently looking for a

**Student Assistant (f/m/d)  
for video editing and research dissemination  
(hours / week negotiable, but likely > 8)**

**Primary Task:**

Support in editing, professionalizing, redesigning, or even recreating short, animated videos disseminating:

- Research on *Organization Structure and Design*
- Research on *New Technology and Innovation Ecosystem Development*
- Research on *Strategizing under Uncertainty*

**Prerequisites and Required Skills:**

- Enrollment in any TUM program
- Fluency in English (spoken and written)
- Solid knowledge of video editing and respective software programs
- Basic knowledge of video dissemination via YouTube and similar hours
- Solid Microsoft Office-skills, in particular Excel, Word and PowerPoint
- Willingness to work flexible hours, willingness to work independently and reliably

**We offer...**

- A variety of compelling tasks in multiple interesting academic contexts within a professional, interdisciplinary, and international work environment
- Insights into teaching and research activities at our institute, especially valuable for students who hope to pursue a PhD and/or academic career track

Applicants with disabilities will be given preference if their job aptitude is generally comparable. TUM is also aiming for a higher proportion of female students and employees. We therefore strongly encourage female students to apply for the offered job.

**Application Details**

Please send your application (cover letter, CV highlighting professional and academic experience, and a current transcript of records) ideally before July 1, ideally as a single PDF file to: [o.alex@tum.de](mailto:o.alex@tum.de). Reviewing of applications will begin immediately, and continue until the position is filled
