Business Development and IT

About us:

Circular Concepts GmbH is an innovation studio from Munich, founded by 2 former MMT students. We offer services in the realms of product innovation, sales excellence and change management. One of our in-house brands with +40% growth and a 5-digit monthly revenue is currently facing expansion outside of DACH region and aims to take in a leading role as a holistic B2B engagement platform for companies, employees and their prospects. You will be working closely with the founders together to grow and shape this platform together.

Your profile:

- You are a team of 3-4 MMT students with a background in business economics and informatics / computer science
- Structured, ambitious & proactive mindset
- You are a team to build and shape something big with an everlasting impact and actively participate in decision-making processes
- Ideally, you have previous experiences in: 1) Outbound /Inbound Sales or / and 2) Frontend Development (Java, HTML, CSS)

What we offer::

- You are part of a growth startup and have the opportunity to work closely with the two founders (TUM BWL & UnternehmerTUM Alumni)
- High personal responsibility and strong influence on the growth in 2023
- Flexibility (6 months part-time or 3 months full-time - remote/office/hybrid)
- Mentoring, Networking contacts into the startup world as well as unforgettable team events e.g. in Cape Town or Mallorca
