

## Product Management Intern (m/f/d)

Join our movement and vision for cities without traffic jams, less CO2 and therefore better air and quality of life for everyone by creating a new mobility experience to support a sustainable lifestyle!

### You love to start and run projects?

You are an organized and efficient team player and eager to be responsible for your own projects, driving ideas from concept to real pilots while working closely with the CEO and product team.

### Responsibilities

- You will help to shape our products by assisting our CEO and product team participating in discussions with stakeholders and clients
- You will collaborate with a multidisciplinary team composed by UI/UX designers, developers, data engineers and data scientists.
- You will contribute on gathering requirements, defining solutions to problems and managing the projects
- You will run your own projects
- You will support the Customer Success team to understand the customer problems and needs first hand
- You will support our team in the conception and specification of product features
- You will analyze user behaviour and also competitors' products and explore new ways to improve our products
- You will support with the setup and conduction of user tests
- and a lot more exciting things ...

### Requirements

- Currently enrolled or recently finished studies with a technical- or business background
- Excited about new technologies & software and an eye for details
- Enjoy working in interdisciplinary teams (product, finance, design, marketing)
- Excellent written and verbal communication skills
- Ability to self-manage and work both independently and collaboratively with great team spirit
- Some experience with programming and experience with user tracking and analytics systems is a plus
- Familiarity with Agile frameworks is a plus
- Previous experience in product management is a plus
- Fluent in English and German language
- Availability 6 month (at least 4 month) starting as soon as possible

## What's in for you

- An experienced, highly motivated and fun team to learn and grow together
- Have the flexibility to work from anywhere anytime: a great office, from home or even from the beach, we value work-life-balance to coordinate business, family and private stuff perfectly according your needs
- Of course you get a free Moovster Mobility Budget to get around
- And all this greatness comes with an attractive compensation package

## Our mission

At Moovster, we want to solve urban mobility towards more sustainability by creating a new mobility experience and creating a win-win-win situation for cities, city dwellers and companies with a new mobility platform. A flexible mobility budget from the employer enables the use of all existing mobility services as a real alternative to the own car or company car. The Moovster App additionally rewards particularly sustainable mobility decisions with attractive rewards, similar to Miles-and-More. Founded in the heart of Munich, we are driven by changing the way people move in big cities around the globe.

## Our team

We are a highly motivated multicultural team with a passion for technology, mobility and a modern, sustainable lifestyle. We don't hesitate to disrupt anything previously seen and try to use data and customer insights as the basis of all our decisions. We are constantly getting our hands dirty, we are close to our customers and we want to grow as a team with one focus: Creating an outstanding customer experience – and we can't wait having you on board! Join the Moovster movement!

## About Moovster

Moovster, a spin-off from BMW, is a technology startup in the field of mobility and now ready to scale. We are collaborating with big technology companies like IBM and our portfolio of happy customers spans several DAX 30 companies as well as other big size companies yet.

We are an equal opportunity employer. We celebrate diversity and are committed to creating an inclusive environment for all employees. Diversity makes us better.
