# ESU 2014 Conference and Doctoral Programme

Sten K. Johnson Centre for Entrepreneurship is happy to invite you to the ESU 2014 Conference and Doctoral Programme. We are looking forward to meeting you all 18th to 23rd of August in Lund.

The ESU (Entrepreneurship Summer University) in Lund 2014 includes a doctoral programme (6.0 ECTS) as well as a conference in entrepreneurship research. During the week we will focus our attention on some core issues in entrepreneurship research, such as formulating interesting research questions, methodologies, the writing process, and publishing in academic journals. There will also be plenty of time for networking and social interaction.

The programme contains plenary sessions as well as group sessions. In order to make the programme as fruitful as possible we will divide our participating PhD students into three groups:

- PhD students in early stages.
- PhD students in progress of their PhD studies.
- PhD students in the end of the process or that have graduated.

Of course, supervisors are more than welcome to attend the programme and to present papers together with their PhD students.

**The deadline for submissions of abstracts is 31st of March 2014.**

ESU 2014 will be hosted by Sten K. Johnson Centre for Entrepreneurship (SKJCE) at Lund University in Sweden. Lund University is one of the leading universities in Scandinavia and ranked as one of the top-100 universities in the world. Established already in 1666 it combines an old history with a modern student environment (47 000 students) and major research facilities such as MaxLab IV and ESS that will become the world's most powerful neutron source. Lund is conveniently reached from Copenhagen Kastrup Airport.
